

2007 PDGA Election – State/Province Coordinator Candidate Statements

Georgia - Keith Johnson #10444

I am interested in the position of state coordinator to help promote the PDGA and IDGC, which is in the state of Georgia, to players from this state and adjoining regions. I believe that my experience in coordinating events and helping to set up the Fabulous Florida Tour and helping with the Cactus Series scheduling while I was living in Florida and Arizona will give me good insight to helping coordinate the Georgia and surrounding areas schedule. Having worked with the PDGA staff and Board of Directors for several years, along with local clubs in Georgia since moving here, I believe will help in the ability to gather pertinent information and help keep scheduling conflicts to a minimum.

I also believe that by touring around the country I can further promote the PDGA and IDGC as being in my home state, as well as gather information from other touring players so I may make informed decisions on the annual PDGA awards.

Thanks in advance for your consideration to be the Georgia State Coordinator.

Georgia - John Nisewonder #10353

I would like to submit my resume for GA State Coordinator—I feel that my strong points for this position are my communication and organization skills. I feel that Sue Ann Beym, our most recent coordinator, has served Georgia well in the past and I would like to continue that service as well as bringing some new things to the table. I have designed or helped design seven courses in Georgia and have run PDGA events for the past 10 years in North Carolina and Georgia. I have a good relationship with the current South Carolina and North Carolina coordinators and I am a certified PDGA. Your vote would be very much appreciated.
